EASTER VENTURE RULES 2019

Event Overview

The South Australian Branch Venturer Scout section Easter Venture has been running since 1958. The Event provides an opportunity for Venturer Scouts, older Scouts and Guides to participate in a team oriented competitive hike with many challenges en-route. Easter Venture relies heavily on the prior training of participants in the Scouts Australia – Venturer Section Venturing Skills Award or equivalent.

Participants compete for an overall E.V. perpetual trophy. This trophy will go to the team which completes the most hiking checkpoints, complies with the theme in spirit and execution, completes activities along the way and can demonstrate good camping skills. The event is a hike and hike points gained are given a greater weight. Hike checkpoints are graded and the most difficult have a higher point value. There are also trophies for Best Theme, Most Activity Points, Highest Camping Standard and best Day Pack and Full Pack Hike teams.

- EV-01 The event is open to all current financial members of Scouts Australia (S.A. Branch) and Guides Australia (S.A.
